MELISSA PEART-YATES

SUMMARY

Creative Junior Developer passionate about constantly learning new things which has led me to pursue bootcamp certification from CodeCrew Code School. This demonstrates my desire to stay current on the latest technologies being used in IT. Though I have been involved in different career fields, I believe my experiences have made me adaptable to varied environments. I bring attention to details as well as a passion for learning and mentoring that helps me constantly grow as a developer and as a person.
